Mr. Cleon F. Thompson, Jr.
Chancellor
Winston-Salem State University
Winston-Salem, NC 27110

Dear Mr. Thompson:

I was tremendously gratified to learn that Winston-Salem State University has recognized the Central Intelligence Agency as its Employer of the Year. Regrettably, my schedule does not permit me to attend the Cooperative Education Luncheon and Awards Ceremony on 11 April 1988. In order to ensure that the Agency is properly represented, I have selected [redacted] from the Directorate of Intelligence to attend this event and convey my personal thanks for the honor the University has bestowed on the Agency.

I am also gratified that this University has recognized that the Agency is committed to supporting the achievements of minority scholars and to offering them the opportunity to seek challenging jobs in the field of intelligence.

It is my hope that our organizations will continue to benefit from the mutual respect and flow of people and ideas that we have today. We will continue to look to your institution for bright and probing minds that are interested in serving their Government in the field of intelligence.

Sincerely yours,

William H. Webster
Director of Central Intelligence
